

KUMA joogikaart on loodud sooviga täiendada **KUMA köögi** maitsete maailma ning pakkuda avastamisrõõmu igale külalisele.

Valikust leiab nii klassikalisi veinipiirkondi kui ka kaasaegseid ja iseloomuga tootjaid, kelle veinid kannavad endas piirkonna eripära ja loo jutustamise oskust.

Eelistame veine, mis toetavad toitu, mitte ei varjuta seda – tasakaalukaid, elegantseid ja puhta iseloomuga maitseid. Olgu valikuks kerge ja värske joonega valge vein, täidlane ja marjane punane või elegantne vahuvein.

Loodame, et iga klaas täiendab Teie õhtut ja aitab luua hetki, mida on hea meenutada ka tulevikus.

Nauditavaid maitseavastusi soovides!

KUMA's beverage menu has been created to complement the world of flavours found in our kitchen and to offer every guest a sense of discovery.

Our selection includes both classic wine regions and contemporary producers with character, whose wines express the uniqueness of their origin and the art of storytelling.

We favour wines that support the food rather than overpower it – balanced, elegant wines with a clean and authentic character. Whether you choose a light and refreshing white wine, a rich and fruit-forward red, or elegant sparkling wine.

We hope every glass enhances your evening and helps create moments worth remembering.

**Wishing you
enjoyable taste discoveries!**
